*Each group receives 1 point for each state into which an Article V resolution is introduced; 1 point in each chamber if it passes all committees (2 pts in unicameral NE); 1 point in each chamber when it passes the floor (2 pts - NE); and 1 point when application is final. Thus, 6 total points can be earned in each state. The completion goal is 204 points (34 states x 6 pts./state). If an application dies during a non-carryover legislative session, then points generated for that cycle are not counted. DNP = voted down, tabled, died on calendar, or otherwise did not progress. ~ = special circumstances. Scoring is based on available public information and may have some inaccuracies. Open convention calls are not aggregated in this report.
